Whyteleaf Village Council - GRANTS

Whyteleaf Village Council is inviting applications for Grants prior to 30th September 2016.

An application form is available via the Council's website:

www.whyteleafcouncil.org.uk

We aim to help organisations linked with Whyteleaf and that can demonstrate that any monies received will be used for the benefit of people in Whyteleaf.

So if you are part of a local organisation involved in anything from improving the local environment, providing facilities that help people within the community or improve access to the arts why not make an application today.

We cannot guarantee that money will be granted by the Council and organisations should not rely on the award of money for their activities. Please also be aware that our funds are limited.
