GRANT SCHEME

Whyteleafe Village Council wishes to grant a limited amount of money to be used locally and effectively to benefit the people of Whyteleafe.

The following sets out the application process and important qualifying criteria which must be read before making an application to us.

Application process

1. Grant applications must be received by the Clerk by **31st March** for consideration at the April or May council meeting or **30 September** for the October or November meeting.
2. The Council's current standard application form must be completed in full and relevant information provided prior to consideration by the council.
3. We will normally require a copy of the organisation's constitution as evidence of its voluntary/charitable/ not-for-profit status and how funds raised (e.g. money-raising etc) are spent in accordance with its aims.
4. All documentation provided will be available for public scrutiny and should be legible.
5. Applicants will be informed of the council's decision as soon as practicable after the meeting.

Criteria

1. The applicant is a voluntary or charitable body (not-for-profit organisations) with a strong connection to Whyteleafe.
2. There should be a clear benefit to many people in the community of Whyteleafe.
3. Support is aimed at specific expenditure (a 'project') of a non-recurring nature. To this end, you must provide clear details of what you will spend the grant money on - if you do not, we cannot consider your application.
4. The Council will normally only commit funds once in each financial year for any one organisation and it cannot guarantee availability of funding in subsequent years. Therefore, you should not rely on the possibility of grant funding by us for any of your activities.
5. Types of project considered suitable are improvements to the local environment, amenities, provision of recreational, arts or entertainment facilities.
6. The maximum amount payable per application is £2,000.
7. If you are applying in respect of a project that exceeds £500 we would expect you to contribute your own funds or have third party funds of at least 20% of the total project's cost. In addition, you must provide a copy of your last full year's financial statements, your most recent accounts, current budget and you must confirm who verifies these accounts for you.
8. The council may require some assurance that both the project and the applicant have long-term viability through details of time in existence, membership numbers and 'business' plans.

9. If a project is still in the planning stage, a time-limited offer of a grant may be given and this will last six months. Before the end of this period the Council will require evidence that the project is proceeding in accordance with the details provided in the application (also see 10).
10. The Council may ask the applicant to incur the expenditure and provide invoices for reimbursement.
11. By completing this application, you confirm that any monies that may be approved will only be used for the purposes described in the application.
12. If we ask for additional information in accordance with any of the above, we will set a reasonable time for this to be received by us. If we receive nothing by the end of that period, we will close the application and any award granted will be withdrawn.

Additional Information

Please include a copy of the organisation's governance statement (often known as 'constitution') which will confirm such things as your organisation's structure, decision making process and voting rights of its membership - this will demonstrate to us how your organisation is managed and achieves its stated aims. Any publicity material relating to your organisation would be helpful too.

In addition, if the cost of the project, meaning the total cost of the supply of goods and/or services, exceeds £2,500 please provide three quotations to evidence this. The total cost of the project should not be disaggregated in order to avoid this requirement.
